168,000 collars in the sale—thousands of these collars still in the original boxes—fresh and

nothing to hurt the wear.

MAIN BUILDING Women's \$2.50 & \$3 Fancy Top Lace Shoes \$1.50

5,000 Pairs in an Amazing Sale Beginning Tomorrow, at 1.50
Ultra-fashionable spring styles—every pair perfect.
No smarter or more desirable footwear at \$2.50 to \$3 a pair on the market today.

These are the high-laced, cloth top shoes, such as fashion has decreed for next spring wear. The tops come in every
modish color—fawn, taupe, sand, light gray and the newest tete de negre. They are laced—the lace running through
blind eyelets set in narrow leather straps stitched up the front. There is every heel height, the vamps are short or medium,
GUN-METAL OR PATENT LEATHERS. Every pair is perfectly shaped for comfort.

THERE IS NOT AN IMPERFECT PAIR IN THE LOT—some stores sell shoes underprice because of "water-
marked linings" or other defects which make the merchandise undesirable. WE DO NOT. You can't find a flaw in
these, in fit, wear, or looks.

THERE ARE ALL SIZES, 2½ TO 7, C, D AND E WIDTHS, IN EVERY STYLE. So every one who comes will be
pleased. If you're wise you'll buy several pairs while you're here, too, for this is an unparalleled event.

One of the most prominent shoemakers made these for spring trade—then had to sell 'way below cost, because he
needed money at once.

We examined the shoes at his invitation, found them desirable in every way—and gladly accepted his offer, knowing
that this sale would be one of the greatest in our shoe-selling history.

Remember \$2.50 and \$3 Shoes at \$1.50 Are Bound to Go Fast
So take our advice and COME EARLY. These are rare bargains—you'll want several pairs when you see them.
